AGROZEN.COM

Grown With No Chemicals

We proudly work with American farmers who provide our hemp grown with no pesticides or herbicides.

20mg of CBD Per Serving

Each serving of our soft-gel capsules is infused with 20mg of Kentucky grown hemp.

GMP Certified

Our Good Manufacturing Practice (GMP) ensures every bottle is filled and safety sealed for consistent quality.

CBD SOFT-GEL CAPSULES FULL SPECTRUM HEMP EXTRACT

Our premium full spectrum industrial hemp soft gel capsules are easy-to-swallow and a convenient way to capture all the cannabinoid (CBD) benefits into the body. Each 20mg CBD soft gel capsule includes natural MCT coconut oil for maximum absorption and is encapsulated using certified Kosher gelatin for a smooth coating.

The extremely pure lab tested CBD oil follows a strict Good Manufacturing Practice (GMP) to ensure every capsule is filled and safety sealed for consistent quality products.

PRODUCT DESCRIPTION

The 600mg 30 count soft gel capsule deliver 20mgs of full spectrum CBD oil per serving. Our full spectrum formula includes naturally occurring cannabinoids such as CBD, CBN, CBL, CBDA, CBG, among others to provide the maximum whole plant extract. The natural medium-chain-triglycerides (MCT) coconut oil is an excellent carrier oil as the shorter cell length is easily digested into the body. If this is your first-time trying CBD or looking for a consistent dose every time, capsules make it easy. Since everyone's body type and conditions are different, there is no recommended daily amount (RDA) and self-dosing is required. Per an industry publication, typical minimum daily dosing is 25mg of CBD twice a day. Keep in mind, more is not always better.

* Note: The information disclosed is intended to serve only as general guidance and is not medical advice. As with any nutritional supplement, speak with your doctor about possible drug interactions.
